Miss Louise P. Housel

With Affectionate Respect . . .

We, the Class of 1952, are proud to have the privilege of dedicating this edition of "Le Souvenir" to Miss Louise Housel. Not only is Miss Housel a graduate of Audubon High School but for several years she has been a member of our faculty in the Social Science Department. It has been our good fortune to become acquainted with Miss Housel as a competent teacher, capable advisor, and one interested in our social and athletic activities.

Thus, to dedicate this issue of "Le Souvenir" to Miss Housel is indeed an honor and a pleasure for the graduating class.

DAYS

DAUGHTERS OF TIME, the hypocritic Days,
Muffled and dumb like barefoot dervishes,
And marching single in an endless file,
Bring diadems and fagots in their hands.
To each they offer gifts after his will,
Bread, kingdoms, stars, and sky that holds them all.

—Ralph Waldo Emerson

In Memoriam

HAROLD LEE

November 7, 1933 — November 16, 1951

We who have little knowledge of certain aspects of God's acts can not comprehend why certain things happen. This is so in the tragic death of our friend and classmate, Harold Lee. In our limited understanding, we would have it otherwise. God gave and now God has taken as he has seen fit, leaving us with the memory of Brud as a glorious symbol of superb young manhood.

He shall live in our memories as he was—sterling in character and highly spiritual in mind, youthful, strong, and intelligent, kind, and of a noble heart.

Although we now grieve at his death, this grief, in time, will lessen, will change, and in the end will become only a beautiful memory.

To the Members of the Class of "52"

School days are pleasant days full of happy memories: memories of friends, of games played, of social events enjoyed, of participation in extra-curricular activities, and of the satisfaction of lessons completed.

One tends to remember the pleasant, enjoyable experiences of his educational training as he thinks of school days.

The Audubon Fathers' Association hopes that the members of the Class of "52" have many pleasant memories of their school and its activities as they complete their formal secondary training.
